

Product Info

Pack size

10kg bucket - Code B0162
20kg crate - Code B0129

Palletisation

10kg x 80
20kg x 30

Storage

Keep refrigerated

Make Up Instructions

Use directly from the bucket or crate

Recommended Use

Pies, tarts, Bundt Cake and Streusel

Finlay's Homebake Apple Mix

Finlay's Homebake Apple Mix is a ready to use apple filling made from chunky, fresh cut Irish Bramley Apples and Finlay Apple Mix. These are expertly blended to create a premium, homestyle, hearty apple filling that is ideal for deep filled tarts, pies and much more.

Finlay's Homebake Apple Mix is made with the same Finlay knowhow that won't leave the filling all baked out. Your customers will enjoy cutting into their delicious chunky apple pie, just as you intended. See the baked difference with no seasonal variances in fruit quality.

Recipe Idea

Deep Filled Apple Grannie Cake. Line a deep flan case sheet with sweet shortcrust pastry. Spread on to the base a layer of Finlay's Patisserie Custard, made up 2 parts water to 1 part custard. Add on top a layer of Finlay's Homebake Apple Mix. Top the apple with a good layer of Finlay's Crumble Mix and press lightly onto the pie. Bake for 30-35 minutes @ 380°F. Allow to cool. Flood top with either Caramel Creble Fudge Icing or Craigmillar Caramel. Can be made into individual small pies, large deep filled pies or slices.

Advantages

Won't bake out
No seasonal variation eliminating soggy, soft fruit
35 days shelf life from manufacture (refrigerated)
