

Herco Speculoos Spread, Topping & Crumb

Everyone loves those delicious little red wrapped Speculoos biscuits which originate from Belgium and served with coffee in cafés around the world.

Herco Foods have all that same great tasting Speculoos biscuit taste in a delicious creamy spread or topping. Both are made using those same original Speculoos biscuits.

So now bakers can get creative making delicious Speculoos cheesecakes, muffins, doughnuts, traybakes and much more. Herco Speculoos creamy spread comes ready to use and comes packed in a large 8kg pail, with the topping packed in 6x1kg bottles.

Need a crunchy Speculoos crumb base? Herco Foods Speculoos crumb is packed in 9kg cases and is the perfect solution to give your products the complete Speculoos taste whether as a crunchy base for cheesecakes or as a decoration.

Advantages

- Same original Speculoos taste
- Authentic Belgium product
- Ready to use
- Can be heated to enrobe cakes
- Add between 10-20% white compound chocolate to make traybakes over wrap-able
- Suitable for vegans and vegetarians
