Premium Dusting Sugar RSPO-SG

Finlay's Premium Dusting Sugar is the ultimate stable dusting sugar. This is the perfect solution for packed, frozen or refrigerated cake and confectionery.

Our dusting sugar is extremely durable and is ready to use straight from the box to provide, as well as maintain, the ideal finish to your products.

This will resist breakdown in moist, ambient, or refrigerated conditions, making it the perfect replacement for icing sugar.

Enjoy the benefits of Premium Dusting Sugar's freeze thaw stability, assuring your finished products are ready to display or serve once thawed.

Benefits

- Ready to use
- Freeze thaw stable
- Suitable for all ambient and refrigerated cakes
- Clean label

Applications

Best applied to products via a fine mesh sieve or automatic dusting plant.
