Who doesn't like the great taste of chocolate? Try blending Herco Dark Cocoa Cookie Crumble with white frosting or buttercream to produce an easy to make and great tasting cookies and cream filling.

### Advantages

- Great tasting, rich chocolaty flavour
- Ready to use
- Can be used as a decoration
- Perfect particle size
- Can be blended into ice cream

### Advantages

Blend with Craigmillar Light and Fluffy Vanilla Frosting to create a delicious Cookies and Cream filling.

Light and Fluffy is a ready to use white vanilla frosting. Simply place a portion of the Light and Fluffy into a bowl to mix by hand or planetary mixer to mix larger quantities. Add approximately 20% +/- of Herco Dark Cocoa Cookie Crumble (or add to your preferred amount). Mix slowly in first gear until all the dark cocoa crumble has been incorporated.

Alternatively, blend using your own buttercream.
